

About the Owner/Director

Julie received her Bachelor of Science Degree from the University of Mississippi in Communicative Disorders, where she attended college on a baton twirling scholarship. She received her Master of Science in Teaching Degree from the University of Wisconsin Oshkosh and she worked as a Speech and Language Therapist in the Harford School District for two years.

Turning to her first love, Julie opened up a studio in 1982. She has spent many years training, competing, and performing in the areas of Baton Twirling, Dance, Gymnastics, and Modeling.

Julie's Touch of Silver Dance Studio has many solo baton twirling, dance, dance-twirl team, and corps championship titles to its credits. Julie's students have won Local, State, Regional, National, and World titles and have represented the USA in World Competition.

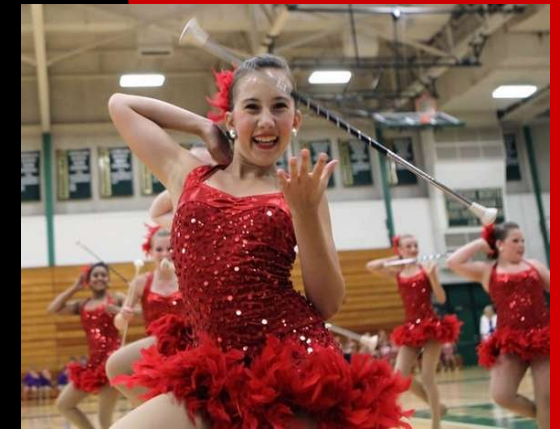

Julie was named Corps Director of the Year during the NBTA National Championships in July of 1999 and she was inducted into the NBTA Twirling Hall of Fame 2003. In April 2006, Julie was named Oshkosh's Most Amazing Mentor by the Oshkosh Chamber of Commerce.

Julie and her staff continue to study in all areas of dance by attending classes, workshops, clinics, and seminars to keep their skills updated in an effort to give their students the best possible instruction.

*"If you can imagine it, you can achieve it.
If you can dream it, you can become it."*
