

Titles and Awards

The Juvenile and Senior Corps have captured the State Championship Titles, All-North Regional Championship Titles, Midwest Championship Titles, and most impressively, National/World Championship Titles.

In April 2006, the Senior Corps competed at the International level for the first time when they traveled to Eindhoven, Holland for the World Championships. They were chosen to represent the United States in the Parade Corps Division and competed against other corps from all over the world. There, they won the Silver Medal. In 2009, they were again chosen as the USA Representatives for the World Championships and traveled to Ghent, Belgium, this time claiming the Gold Medal!

In July 2011, the Senior Parade Corps won their 15th consecutive Grand National Title and will represent the United States in 2012 at the World Championships in Neuchatel, Switzerland! Being the team to beat, they hope to repeat their performance and once again, win the title of WORLD CHAMPIONS!
