There, they captured two gold medals representing in the Junior and Senior Parade Corps divisions. Additionally, 2015 was another record-breaking year for the Corps as they earned the opportunity to represent the United States in both the Parade Corps and Twirl Corps divisions. It was the first time in Touch of Silver history that the group represented the Twirling Corps division at the World Championship. They proudly traveled to Lignano Sabbiadoro, Italy and brought home an impressive Gold Medal in each category.

Most recently, in 2018, this amazing group of young ladies traveled to Lillehammer, Norway to yet again defend the title of World Parade Corps champion. After an extraordinary performance, the Touch of Silver Twirling Corps proudly brought home the gold and the title of world champion.

In July 2019, the Senior Parade Corps won their 22nd consecutive Grand National Parade Corps Title and will represent the United States at the 2020 World Championships. This group of hard-working young ladies earned the opportunity to compete and represent the USA in the Parade Corps division. After a remarkable first time showing at the World Competition in Eindhoven, Netherlands in 2006, the Touch of Silver Twirling Corps is ready to go back to where it all started as they return to the World Championships as part of Team USA for a sixth consecutive time in April 2020.
