

TOUCH OF SILVER
Twirling Corps

We would like to **invite YOU** to **Sponsor** our 2026 Golf Outing!

Your investment is a great way to showcase support and partnership with the Touch of Silver Twirling Corps, a leader in the art of dance and baton twirling at a state, regional, national and international level. In order for the Touch of Silver Twirling Corps to continue to perform at a high level, fund development and hard work are critical factors.

The Touch of Silver Twirling Corps is hosting the Touch of Silver Golf Tournament for the families, friends, and community to come together to raise funds. Each sponsorship level includes different types of activities shown to the right.
